

AFP
(Mouse monoclonal Antibody anti-human Alpha-Fetoprotein)

PRODUCT ANALYSIS SHEET

Cat # 53.008.08

Clone:	2/23H5 3H3 2C10
Batch:	
Size	
Format:	Purified Unconjugated, Liquid
Concentration:	
Preservative:	
Purification:	Purified by Protein A affinity chromatography
Isotype:	
Immunogen:	Human recombinant AFP
Mouse / fusion partners:	Balb/c (Charles River)/ NSO
Specificity :	Recognizes natural and recombinant Human AFP
Application:	Elisa as capture Antibody
Storage & Stability:	-20°C
Update:	November 15, 2011

Date & Signature
