

HPL
hPL (Mouse Monoclonal Antibody anti-human Placental Lactogen)

PRODUCT ANALYSIS SHEET

Cat #

Clone:	6/4C8
Batch:	
Size	
Format:	Purified Unconjugated, Liquid
Concentration:	
Preservative:	
Purification:	Purified by Protein A affinity chromatography
Isotype:	IgG1
Immunogen:	Human recombinant HPL
Mouse / fusion partners:	Balb/c (Charles River)/ NSO
Specificity :	Recognizes natural and recombinant Human HPL
Application:	ELISA as capture antibody
Storage & Stability:	-20°C
Update:	November 15, 2011

Date & Signature
