

**LEPTIN**  
(Mouse monoclonal Antibody anti-human Leptin)

PRODUCT ANALYSIS SHEET

Cat #

Clone:	1E9 1H6
Batch:	
Size	
Format:	Purified Unconjugated, Liquid
Concentration:	
Preservative:	
Purification:	Purified by Protein A affinity chromatography
Isotype:	IgG1 K
Immunogen:	Human recombinant Leptin
Mouse / fusion partners:	Balb/c (Charles River)/ NSO
Specificity :	Recognizes natural and recombinant Human Leptin
Application:	ELISA as detecting antibody
Storage & Stability:	4°C
Update:	November 15, 2011

*Date & Signature*
