

LEPTIN
(Mouse monoclonal Antibody anti-human Leptin)

PRODUCT ANALYSIS SHEET

Cat # 53.228.26

Clone:	1H6 2B9 BE8
Batch:	
Size	
Format:	Purified Unconjugated, Liquid
Concentration:	
Preservative:	
Purification:	Purified by Protein A affinity chromatography
Isotype:	IgG2a K
Immunogen:	Human recombinant LEPTIN
Mouse / fusion partners:	Balb/c (Charles River)/ NSO
Specificity :	Recognizes natural and recombinant Human Leptin
Application:	ELISA as capture antibody
Storage & Stability:	4° C
Update:	November 15, 2011

Date & Signature
