

PRL
(Mouse monoclonal Antibody anti-human Prolactin)

PRODUCT ANALYSIS SHEET

Cat # 53.144.26

Clone:	1/5C4 2D5 BB10
Batch:	
Size	mg / ml
Format:	Purified Unconjugated, Liquid
Concentration:	mg / ml in BBS 0.1M pH 8.0
Preservative:	NONE
Purification:	Purified by Protein A affinity chromatography
Isotype:	IgG2a K
Immunogen:	Human recombinant PRL
Mouse / fusion partners:	Balb/c (Charles River)/ NSO
Specificity :	Recognizes natural and recombinant Human PRL
Application:	RIA/ELISA as capture antibody
Storage & Stability:	4° C /
Update:	November 15, 2011

Date & Signature
